"Mike was very informative and patient with me and my case. He would ALWAYS answer my calls and return missed calls. Most importantly he educated me on process and gave a very honest opinion of things, wish I would have listened to more of his advice...lol. But overall, I was very pleased with the outcome of my case!!! I would HIGHLY recommend him to anyone whose is looking for an honest and hardworking lawyer!!!"

Michael S. Barrett, Esq.

Attorney Mike Barrett has been practicing law since 2003. After nine (9) years of practice, he started his own Firm in January 2012. The Firm has a focus on injury cases, divorce, custody, child support, and domestic violence cases.

Attorney Mike Barrett has represented hundreds of clients over the years. Most of the Firm's business comes from prior clients, who return for other matters and/or refer family and friends to their doors. The Law Firm boasts an area owner, which is important because he has experience practicing law in the same place where he was raised and resided most of his life.

Mike Barrett "knows" Prince George's County, Montgomery County, Charles County, Anne Arundel County, Howard County, and surrounding counties. Also, the Firm has a family feel so you WILL speak to the owner and not staff. The Firm answers their clients' calls! You don't need to search for your lawyer: a breath of fresh air in this industry.
